

# Amy **MC**Whirter

## **EMCEE & Event Host**

As a soulful and captivating **virtual and in-person emcee and host**, Amy increases event revenue and ROI by engaging with and energizing audiences to connect with key messages and inspiring them to take action. Amy brings soul and energy to audiences.

She creates continuity and cohesion, deeper audience engagement and amplifies messages by pulling threads together in a unique way, helping audiences get to the heart of every session to ensure that messages are loud, clear and compelling.

Her effervescence is contagious and she's adept at emphasizing key points from speakers, improvising with humor and grace, focusing the audience's attention and weaving in themes of the event.

She regularly works with clients to help craft speeches, scripting, content, interviews and engagement activities to drive home the central themes and messages to ensure that the audience is inspired, energized and comes away with value.

**Authentically captivating audiences. Creating connection and soulful impact.**

Amy is renowned for her warmly inviting, soulful, captivating energy that inspires audiences of all sizes to connect with key messages and take action. As a **live event emcee and host**, she creates continuity, drives deeper engagement and amplifies messaging so that audiences come away with deep value from their time invested in events. Her clientele spans large corporations like Infosys, Honeywell, Salesforce, BMC, Whirlpool Corporation, Anaplan, Argenx, Leidos, Elekta Medical, galas by Fierce Marketing, Label Awards, Shop Global Awards, Executive Platforms and household names including Maytag, KitchenAid, Cadillac, Owens Corning, Samsung, Cardinal Health.

Amy has years of experience as a **virtual event emcee and web host** for sales training, internal and external corporate live broadcasts, team building, webcasts, hybrid in-person and live broadcast conferences. Her authentically engaging nature invites audiences of all sizes to connect with messaging and take away key points, inspired, and ready to act on what they've learned. Invitations to type comments and ask questions, network, segues, interviews, announcements, audience retention and engagement are all enhanced by a dynamic soulful emcee host. Connecting with facial expressions, emotion and energy to virtual audiences through webcam or studio cameras is exhilarating to Amy, and perfectly suits her expertise and deep desire for attendees to find value in their time invested in events.

## What clients are saying:

*"You were ABSOLUTELY mind blowing!!! You were just such a delight to watch! Thank you so much in helping us pull off such a huge success!" - Jyotika Luthra, VP Operations | Executive Platforms*

*"AWESOME!!! AMY!!! SUPERB. MY GOD. Amy Killed it. You handled it so well, all the transitions. WE ARE AN A-TEAM. EVERYONE IN ACTION :-)" - Showtime Events and Infosys | Virtual Connect 2020*

*"Virtual events can have many moving parts with both 'TV-produced quality' and 'reality TV-like' components. I highly encourage meeting and event planners to consider hiring a professional event host that can tie together your messaging throughout your event while managing attendee expectations. When it came time to "open doors" to our #VirtualPivot event, Amy did what she does best – engaging with speakers and attendees with her energetic personality and just making us look good. She truly was the glue that kept the event running smoothly from start to finish. As one attendee mentioned in our post-event surveys, "I loved Amy's passion and enthusiasm." Choosing Amy was the best decision we made for #VirtualPivot and I highly recommend that you hire her for your on-site or virtual event too."*

*- Carlos Tabora, Editor/Publisher | Virtual Event News*

*"YOU ARE A PRO! Thank you so much for rolling with the punches and adding a sense of stability, enthusiasm, credibility, and light to the broadcast. Looking forward to the next time we get to work together." - Brigitte Polmar, Chief Creative Officer, Brand Spoken | MG Illuminate Virtual*

*"I just wanted to say a formal thank you for being such an amazing Host/Professional/Moderator/General Giver of Calm at the IFS World Conference. The client is delighted. The show was complex and the demands from all directions a tricky balancing act. Thank you for your humor and ability to 'read the room'. I am not sure you can 'rock' a software conference but we came very close!"*

*-Elsa Ford, Event Producer | First Agency*

*"Just wanted to say a big thank you again for last night. You were key to the event's success. Brilliant MC, Charismatic, dynamic with our guests...just what we needed!"*

*- Pere Ramirez, Operations Manager | Tarsus Group*

*"I am so honored and proud to recommend Amy as one of the very best hosts and emcees in the World. Amy by far, is the best at what she does. I've witnessed her work first hand for our clients and she knows how to get into your soul." - Dave Peroni, Principal | The Ad Group Agency*
