

Amy McWhirter

Event Emcee | Keynote Speaker | Host & Moderator

At age five, Amy wrapped a boa constrictor around her neck and never looked back. Soon she was dancing as a bumblebee ballerina and placing second in the National Spelling Bee, discovering early that the stage is where magic meets meaning and bold expression begins.

Along the way came self-doubt and pressure to prove herself - until she learned that fulfillment isn't found in comparison, but in connection and listening to the inner voice. Today, Amy channels that hard-won truth as a keynote speaker, emcee, and moderator who transforms content into connection and inspires audiences to Be Present. Believe. Be Authentic.

A University of Michigan graduate with a B.S. in Biopsychology and pre-med foundation, she chose to follow her inner signal - bringing together science, storytelling, and improv to create embodied experiences that move people. Trusted by global brands across tech, healthcare, finance, and beyond, she helps leaders and teams access their inner voice and lead with authentic power that moves the world.
