

# Website Packages: Simple

Perfect for organizations that need an online presence, but don't need advanced features or consistent editing. This basic yet professional website package is cost-effective yet fully capable of delivering your message to future patrons!

## What's included:

Custom Domain Name (.com, .net, .org, etc.)

Basic Search Engine Optimization (Google)

24/7 Small Modifications (Via text or email)

Three (3) Scheduled Site Maintenance Consultations Monthly (Via call, text, or email!)

Want to quickly change a word, sentence, or add a new contact form? Write to us 24/7 for a prompt adjustment, or schedule a maintenance consultation to discuss your new goals in-depth!

## Pricing\*:

\$500 non-refundable, one-time fee | Startup Cost

\$220/month OR \$2,500/year | Site Operation Cost (Domain, Basic SEO, Maintenance)

\$30/additional Scheduled Site Maintenance Consultation

\* Prices are subject to change annually, and are automatically contracted
