Christmas Trees And Bulk Item Pickup

Please be advised that you will need to drop your Christmas tree at any of the City's Refuse and Recycling Convenience Centers or at a composting facility. **Do not set out Christmas trees for bulk item collection or place in our dumpster.**

If you have bulk items for collection, please contact Gwen to schedule pick-up.

Congregating in Public Areas

We're a small property and sound carries. Please respect your neighbors and refrain from holding long discussions in the elevator lobbies and hallways, as sound carries into nearby apartments and can disturb those residents.

If you find your conversation lasting longer than a minute, please find a space in private to continue.

Also please refrain for loitering in the upper and lower parking lots. Residents do not like having their cars used as something to lean against or having to ask people to move from their spot so that they can park. Plus having several people around a resident's car looks suspicious and with the recent spat of car break ins, we can't be too cautious!
