The Caregiver Foundation

Supporting Seniors and Disabled Adults

Our products and services

With one of the widest range of services available in Hawaii, TCF can work to secure financial management, act as Personal Representative for individuals, provide Guardianship and Conservatorship services where needed and manage complex care coordination across all spectrums of life.

Key clients

TCF has worked with The Veteran's Administration, Adult Protective Services, Professionals at most of Hawaii's major hospitals and financial institutions, many Estate Attorneys, Professionals in the fields of Disability and Special Needs, religious organizations, and families... and always with each individual.

The Process

A simple phone call or email inquiry can start the process of involving TCF. Your client's privacy is closely guarded and our intake process is simple and fast. We develop appropriate plans with you and keep you informed as we implement our support.

You can help your clients by involving The Caregiver Foundation. Suggest they contact TCF today or let their families know of this valuable option.

"My Attorney recommended I work with **The Caregiver Foundation** to manage my finances and care services. I am so glad I did!"

- Ms. H. - Kauai

We can help

- ❖ When your client needs complex and comprehensive care coordination services
- ❖ When personal financial management is becoming a problem due to physical and/or cognitive limitations
- ❖ When memory issues present risks to your client

Why work with The Caregiver Foundation?

The dedicated staff at The Caregiver Foundation bring a very personal approach to each client.

"I don't know how we could have gotten through this without your help. TCF handled everything from on-going care right through Mom's passing and then handled the funeral and settled the estate. We are so grateful..." Mrs. JT - Oahu

If we can make life a little better, less anxious, and more fulfilling - we feel we have accomplished an individual mission.

Adhering to national standards in fiduciary

management, social work care, Guardianship, Conservatorship and case management, TCF holds itself to high expectations.

"We hold the trust of each client, their families and their Physicians in our hands. Be strong, true, and compassionate." G Powell - Founder

Each client brings unique needs and opportunities that require a very personal approach to care. TCF will work with you to deliver that care.

Personal Care, Professional Expertise

The staff at TCF bring decades of practical and professional expertise to our work. We have experience in financial management, insurance coordination, estate administration, care coordination, disability and Special Needs, Guardianship and Conservatorship. Combining our efforts with you and other professionals allows a unique and comprehensive approach to meeting the needs of your clients.
