

LAUNDRY ROOM RULES

1. Please do not over load the washer. If you do, you will flood the laundry room and damage the machines.
2. Please remove all clothes promptly from washer & dryer after use.
3. Please do not overload the dryer. Your clothes will not be dry.
4. Please remove the lint from the dryer & wipe down after each use.
5. If you spill something please wipe or sweep it up immediately.
6. Please dispose of your detergent containers properly.
7. Please measure your soap. Using too much detergent will cause the machines to malfunction.
8. When you exit the laundry room please switch off the light.
