

# Formal Contract

## Kingdom of Renasania

I \_\_\_\_\_ will provide the required down payment upon request for a guaranteed spot to become a Citizen of Renasania. The money provided will solely be used for all/any expenses up to and to include construction of the new Kingdom, purchase of resources, weapons, Armor, Clothing, currency, and expenses required to transition to the island. All money will be handled by the knights of the round table and the king in assistance with the king in expenses for Renasania. I understand that down payment is required and non refundable and with receipt of down payment will guarantee a spot of citizenship and once safely to the Kingdom I am freely allowed to leave at any given time on my own account and will not be assisted in finding a way off the island. And will not be refunded or compensated for time spend on the Island. All the above I read and understand.
