

Donation Suggestions for Engedi Refuge

- **\$10 Walmart or Target gift cards:** We have a treasure chest at the Learning Center where I keep incentive gift items for our residents. If a resident goes above and beyond in her chores or other outstanding behavior in the course of the week, the house manager will give her a treasure chest key and on Friday, she can bring the key and exchange it for something in the treasure chest. All items in the treasure chest are \$10 or less.
- **Michaels gift cards:** We have an art therapy program and are always in need of items for the art class.
- **Safeway gift cards:** a general grocery gift card would be a great boost to our food budget at the safe house.

Ongoing needs for the Learning Center
