SUPAGAS

YES WE CAN!

Heaters & Heatagas

Why choose Supagas?

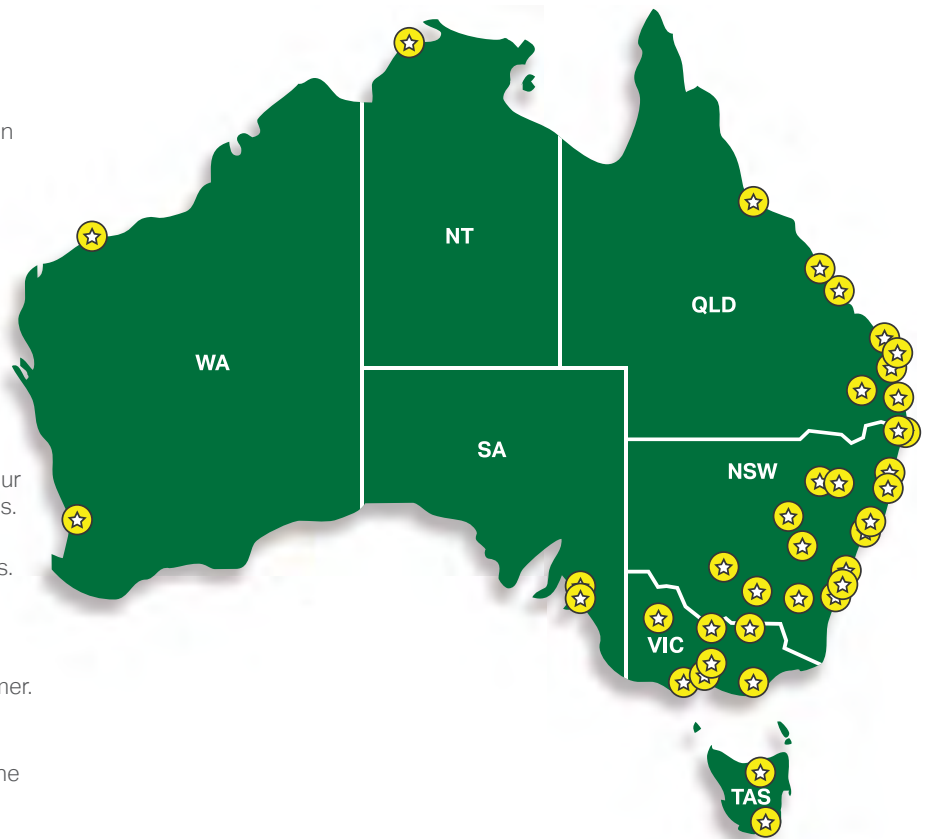

- ▶ Supagas is an Australian born and bred gas company since 1982.
- ▶ We believe safety comes first! We take the time to educate our customers on safety when handling gas.
- ▶ Quality customer service and no automatic voice prompts!
- ▶ We offer scheduled delivery service to ensure you never run out of gas.

Heater servicing and maintenance[†]

Supagas provides servicing and maintenance for our heaters, a benefit which no other company provides.

- ▶ **FREE[†]** onsite servicing for Supagas customers.
- ▶ Highly trained maintenance staff.
- ▶ Storage facilities for your heaters during summer.
- ▶ Service and maintenance is performed during the off season, so you're not affected during the winter period.

SERVICING AUSTRALIA WIDE

Terms and conditions.

[†] All purchased heaters have up to 12 months back to base manufacturer's warranty. Please contact Supagas for full warranty details. Courier fees may apply. This service is available for majority of our heaters in selected branches. Free maintenance is labour only. Parts are not included. Supagas must supply the customers LPG requirements. Supagas Gas Supply Agreement (GSA) required. Maintenance on customer owned heaters only applies to heaters Supagas carries parts for.

Please note: Heaters are available for purchase or hire.

Not all heaters are available in all locations within Australia. To find out if a heater is available in your area please contact Supagas for more information. Gas cylinders are not included with heaters.

* Supagas provide a free delivery service to most areas. Contact your nearest Supagas branch for more information. Supagas Heater Brochure was published April 2019.
