

St. Mary School is now using “remind” to send out alerts to our parents.

All phone carries except Verizon allow remind text alerts. Verizon carriers must use the app or email.

If you are interested in receiving alerts/reminders from the school about snow days, early dismissal, etc. please sign up today. You must have a cell phone or an email to be able to access. You will receive text messages or emails from the office. This is a wonderful and easy way to stay connected with the school.

If you do NOT have Verizon as your phone carrier you can receive text messages by:

All you have to do is “send a text to 81010 with a message: @fa370d4”

If you have Verizon then you will need to download the app to your phone by going to this website to access the app:

<https://www.remind.com/apps/>

or you can go this website to change how you receive notifications.
