Thank you

I wish to thank our families and staff members for a great start to our school year. I appreciate all your efforts in keeping us all healthy. We are taking every precaution that we can at school to keep the spread of germs to a minimum. Students are wearing their masks without hesitation and when they need a mask break, teachers have routines in place to allow that time safely. Students and staff wash or sanitize their hands at least hourly and remain in their cohorts at all times. Hopefully, we are on the mend with a few colds and we pray that allergy season is not extended this year! Here's to a healthy October. If we stay healthy, we stay open and can continue to learn in person.

Mrs. Mead

Our 3rd grade class was unable to make their First Communion last year so they will be making it on October 3rd at the 4:30 Mass. Congratulations to all of you!

We have a new Facebook page-please use this one instead of the old one. It is called St. Mary Catholic School -Garden City. Has a an "80" as the profile picture. We will post pictures, fundraisers and all school happenings on there. Find us and like our page to keep up to date with all the fun things going on here at St. Mary School!

If you haven't returned your parent/teacher conference card please do so before October 2nd so we can get everyone scheduled. We will try our best to accommodate everyone. Once we have everyone scheduled we will send a note with the date, time and how the conference will be conducted. We are highly encouraging these to be via phone or zoom for the safety of everyone.

Thank you

Monthly tuition payments-please do not pay through PayPal-we are having some issues with this so please send in a check or cash, call the office to process a credit card or go online on the church website and pay. **If you pay through church please contact me so I can mark paid.** Thank you.

Mass uniforms are required starting this Friday.

Boys:

Navy pants with red Schoolbells cardigan.

Girls: Schoolbelles jumper/skirt with red cardigan.

Thank you.

Please make sure the jumpers are of knee length or just above the knee. This applies to shorts too. A complete uniform policy can be found in the student planner. Thank you.

Time Tithing Opportunity: We are seeking help to paint small lines by the shed to help teachers promote social distancing. This can be done anytime this week at your convenience.
