## Living the Bible

Each year we award out 6th graders with a "Living the Bible" Award. The first award went to Xavier Gonzales. Here are a few words from staff:

*Believe that God is going to bless you and supersize your life and it will happen. The Lord has placed a spirit in your heart to achieve your dreams. Keep honoring God and He will open the doors for you to accomplish your dreams. I have viewed your persistence and shock of your determination when you apply your knowledge in the classroom; your hard work has been paying off in and out of the classroom. Your determination will allow God to supersize your life. You are a unique, special, and amazing person. There will never be another you. There is a light that shines in you. My wish for you is that you see the light in this world, in yourself, and in others. Be proud of your accomplishments, for I am proud of you. You have a strength in you that will take you far in life.*

Congratulations!

Thank you to everyone who came out to eat at El Patron on the 11th! We made \$210 from the fundraiser.

Thank you Jaime & Veronica Medina!

We highly encourage all medical/dental appointments be made for after school hours , very end of the day or over breaks. Students participating in class is so important. Thank you.

**STUCO meetings are for 5th & 6th graders and are the 1st Wednesday of each month 3:15-3:45. Please pick up in front of the school.**

**Reminder to our school policy:** we ask that no gifts be sent to the school in respect to other students. If you wish to send a gift or flowers for a birthday or special occasion please do so at home. Thank you.
