## Level 1

add back in some restrictions as  
a precaution.

Students will wear masks, stay  
in their cohorts at lunch and

social distance at Mass and in  
the classroom.

Thank you for your patience and  
understanding as we navigate  
through these times.

## Living the Bible was awarded to the following 6th graders:

**Thaylee Powers:** you have an awesome smile that can brighten anyone's day. When she was in my class, there wasn't one day all year that Thaylee didn't do some small act of kindness for me.

**DOMINIC MEDINA:** You have always exhibited to be the best that you can be! You have been such a wonderful student and a leader in our building.

**BRENDEN TULLER:** You are such a great source of knowledge, and you are always willing to help others. Having a kind heart like you do is a very special trait.

### Thank you Thank you Thank you!

We collected 164 baby outfits, 40 pairs of socks, 2 hats and 2 blankets! Such an amazing donation from all of our school families. These items will be donated to the ABC Pregnancy Center.

Mass collections for the month of March from the school was \$216.90!! That is the most we have collected in one month all year! That is amazing-way to go students!!

Any act of *Kindness* is never wasted. God knows your heart and sees it all. Some people may not accept your kindness, but *give it anyway.*

**Want to get more involved at Mass? Tithing of your time and talents is a great way to do that.** We encourage our students to be an alter server at Mass on the weekends. They serve at school Masses and we would love to see them on the weekends as well. Parents can serve with their children if they choose-what a neat activity to do as a family. (4th-6th graders).

If you are interested call the church office 275-4204 to sign them up.
