

Photo and First Name Release Form

Dear Parents and Guardians,

Here at Grace Lutheran we care deeply for the safety of the children and youth in this congregation. We have recently expanded our online presence and would like your permission to use photographs and first names of minors on the website and Facebook page. Grace Lutheran will not label a public photo with your child's first and last name. Please note, it is still possible for someone to "tag" your child on our Facebook page and your child may still appear in a photo online if it is a large group photo, or crowd photo, with no names labeled.

Please let us know what you feel comfortable with and check all that apply,

You MAY use my child's photo.
