AIRazi Academy staff and students will be asked to wear masks/ facial shields, frequent handwashing, cleaning and sanitizing, limiting visitors and parents access to the building, mandate daily health screenings, students to bring their supplies and no sharing of school supplies or items.

AIRazi Academy also will be welcoming families who are looking for a safe environment for your student to do their online learning through their public school. Contact us for more information.

We encourage students to bring their personal devices for school use only (Chromebooks, laptops or ipads) . We highly recommend chromebooks. All students MUST bring supplies listed for each grade in our website http://www.alraziacademy.org/school_supplies.html. Need assistance or have questions please contact me.
