

Press Release 6-25-22

Mission

For ten years Hoops and Homework has continued to be a safe and nurturing neighborhood-based after-school and summer program which has expanded opportunities for youth in Framingham.

Vision

The vision of Hoops and Homework is that all children in Framingham, regardless of income or neighborhood, will have the support and guidance they need to succeed in school and in life.

Location

Hoops and Homework has been servicing youth and their families in two of Framingham's lowest income neighborhoods, Pusan Road and Interfaith Terrace, since 2012.

Future

We plan to expand our neighborhood presence on the Southside of Framingham, with a continued focus on academic enrichment, pre K child care, community center, and teen center. [link here](#)
