From the President

God Bless the sunshine! After what seemed like a spring that would never end, we finally have beautiful weather, leaves on the trees, green grass, and SUNSHINE!

Thomas has been busy with spring clean-up, getting the docks in at the parks, and opening the pool and it looks great! With the recent warm temperatures, we have had many members use the pool.

Aside from the positive news, we continue to have issues with vandalism and damage to association property. Sherice reported that we had vandalism at the boat house, and stolen signs. We are investigating expanding our video surveillance system to cover both White Birch Park and Legend Park. This might include adding electrical services at both locations as well as phone service for internet access. We have considered the need for electrical service at these locations in the past so this may be the time for these upgrades.

We have taken delivery of the association truck. If you see a red truck running around the community with an EFPOA logo on it, be sure to give Thomas a wave.

At our last Board Meeting, Sherice reported that she is having trouble finding employees to help with staffing at the clubhouse which may affect clubhouse hours. If you are interested in working at the clubhouse, please give Sherice a call.

Sherice has been planning many fun events and activities for this summer. You can expect all of the traditional events beginning with the Memorial Weekend events include Dumpster Day. Please check the website for a schedule of upcoming events and activities.

I hope that everyone has a great start to the 2022 summer season. Please stop and see us at the club house and take advantage of all that Enchanted Forest has to offer.

Anthony P. Esson
President EFPOA

Yard Clean up

It's that time of year again. Time to clean up our yards. Please pick up scattered items in your yard, remove brush/wood piles and put children's toys & bikes away nightly. Remember that boats, boat trailers, snowmobiles, snowmobile trailers, pop-up travel trailers, and recreational vehicles, if stored on any lot within the Community, must not detract from the attractiveness of the property and must have a valid registration. If an item has been sitting in the same spot without moving for 6 months, it detracts from the attractiveness of the community. Thank you for helping to keep our community looking good!

Don't forget to pick up your new parking stickers!

Garbage

Our garbage pickup is every Wednesday. It seems that they like to keep us guessing each week as to what time. You can put your garbage out the night before. All garbage must be in animal proof containers. Please bring your containers in by Wednesday evening. If for some reason animals have got into your container and spread garbage about, PLEASE CLEAN IT UP! If it is not cleaned up, you will be charged a \$75 fee.

The garbage cans we have at our parks are for your use while enjoying the parks. It is not for your household bagged garbage, or your old stacks of magazines & books, ect. Let's all do our part to keeping our neighborhood looking great!

Directory & Activities

It is that time of year again to update your information in our Guthrie Lakes Directory! If your information has changed or you would like to be added please email us at efpoa@efpoa.com or give us a call at 989-732-1942.

Are you on our E-vite list for activities? If not give us a call or email.
