 - c. Cleaning/disinfecting
 - d. Whether to close part or all of the school and for how long
 - e. Criteria for returning to work/school, etc.
- J. Payment of tuition in the event of a class or whole school closure-

These are unprecedented times and we are very aware of the challenge that our families face when we must close, whether for weather, illness, or any other unexpected event. Weather closures have historically been a common reason to close; our policies state that full tuition is due if closed for weather. Please continue to be prepared to pay full tuition for up to one week of unexpected closure due to COVID, weather or similar event. Per School Board decision, August 15th, we will require a reduced tuition payment for subsequent closures: 75% tuition will be due for the 2nd week, 50% for the 3rd week, and 25% for the 4th week. We are placing a priority on protecting our children, staff, and families from being impacted in this manner to avoid having to take these measures. It is important, however, for you to be aware of how you will be affected should we need to execute this plan.

Preschool Drop-off and Pick-up:

During this time of more involved procedures, we suggest that a parent conduct drop off and pick up as much as possible. Any other authorized individual (other than the parent or parents) will need to sign in/out on the paper list. We are hoping for an upgrade to this system soon.

Drop-off:

- Location: Church Side Entrance, park out in the parking lot and come to the church doors. Please observe 6-8 feet spacing while waiting to drop off.
- **Time: 8:25-8:40.** If not here by 8:40, please park and drop off at the school entrance following the Extended Care drop-off procedures.
- *Please plan* accordingly to arrive on time on a consistent basis. Chronic late arrival may result in a fine or dismissal from New Hope (per Parent Book, Dismissal, #2). We are staffed VERY tightly staffed due to the financial impact of reduced enrollment and closures related to COVID-19. Our staff will have other assigned duties starting at 8:45. Professional appointments (Dr/Dentist) are, of course, an exception.
- Have your child fully dressed and in shoes and have your child's belongings completely packed and ready for delivery.
- PPE-we encourage you to wear a mask while waiting in line and require a mask before entering the building.
- The QR code is posted on the Church door for you to scan and sign in. Open the mobile app, tap the QR code icon in the top right corner then follow the prompts, including answering the health screening question. Please follow all prompts until you receive message that your child is signed in.
- New Hope staff will be inside the church lobby to take your child's temperature and deliver to their classroom teacher. Children will wash hands in their classroom upon arrival.
- You may proceed through the church lobby and exit through the second set of lobby doors.

Pick-up:

- **Time: 2:20 – 2:35 pm.** Please pick up at the church doors
- Park in the lot, scan QR code posted on the church doors and follow all prompts to sign out.
- You may enter the church lobby to pick up and exit the second set of lobby doors.
- Remember to observe the 6-8 feet social distancing rules if there is a line
- If you arrive past 2:35 pm please pick up on the school side and follow the Extended Care procedures.
- As stated for drop-off, on time pick up is very important. There will not be a class for your child to join, so they will receive care in the school lobby while waiting. We are very tightly staffed so providing this extra care will take a staff member from other assigned duties.
- We will strictly adhere to our late pick up policy and assess the appropriate fee starting at 2:35.

Extended Care Drop-off and Pick-up:

During this time of more involved procedures, we suggest that a parent conduct drop off and pick up as much as possible. Any other authorized individual (other than the parent or parents) will need to sign in/out on the paper list. We are hoping for an upgrade to this system soon.

Drop-off:

- Location: School Side Entrance, park as normal in front of the door.
- **Time: 7:00 am – 8:20.** If not here by 8:20, please park and drop off at the church entrance following the Preschool drop-off procedures. *Please plan accordingly...all school staff will be at the church doors and unable to assist you at the school side.*
- Preschool begins at 8:30. Please plan to have your child delivered no later than 8:45 am. Chronic late arrival may result in a fine or dismissal from New Hope (per Parent Book, Dismissal, #2). We are staffed VERY tightly due to the financial impact of reduced enrollment and closures related to COVID-19. Our staff will have other assigned duties starting at 8:45. Professional appointments (Dr/Dentist) are, of course, an exception.
- Please have your child completely dressed and in shoes and have your child's belongings completely packed and ready for delivery.
- If no one is outside when you arrive please call the school office to let us know you are here. If no one answers the phone, please ring the doorbell.
- Have your Procure Connect App open on your mobile device, tap the QR code icon in the top right corner and follow the prompts to sign in.
- We will check your child's temperature and then deliver to class.

Pick-up:

- **Time: 2:40 - 5:30 pm.** You may pick up at the school entrance during these times. If you arrive during the Preschool pick up time (2:20-2:35), you will need to follow the Preschool pick up procedures at the church entry.
- Late pick-up fees will be charged at 6:00 pm (Per Parent Handbook, Financial Policies, Penalty Fees).
- Please call the school phone as early as 5 minutes before you arrive to let us know you're on the way. We will hopefully be waiting for you in the entry when you get here. If no one answers the phone and upon arrival does not come out, please go ahead and ring the doorbell.
- A staff member will escort your child(ren) and belongings to your vehicle.
- Please have your Procure Connect App open and ready to scan and sign out.

In/out of your vehicle and PPE:

- If you have only one child to drop and everything is ready to go, you may stay in your vehicle and scan/sign the app through the open window. Our staff will be happy to get your child out of the car. You do not need to wear a mask.
- If you have more than one child and/or need to get things organized, you may get out of your car and take care of things. Although outdoors, you will be in close contact with our staff member, so we ask that you please wear a mask.
