

PRESS RELEASE

THE EXCEL EXCHANGE CLUBS OF COPPERAS COVE

SUBJECT: NATIONAL DAY OF SERVICE FOOD DRIVE FOR MY BROTHER'S HOUSE

Throughout America, October 22, 2017 was National Day of Service or also referred to as Make A Difference Day. It is a day throughout the Nation where thousands of volunteers unite in a common mission to improve the lives of others or "Make A Difference" in their communities. Teaming together, the EXCEL Club of Copperas Cove High School and the High School United Teens Service EXCEL Club held a food drive at the Copperas Cove Walmart. Club members collected over 1200 pounds of non-perishable food items for donation to My Brother's Food Pantry of Copperas Cove, Texas. They also collected over \$700 in donations. This will allow My Brother's House to purchase an additional 4800 pounds of food for distribution to those in need. My Brother's House normally distributes food to 35-40 families per day. EXCEL Clubs are part of the National Exchange Club. The EXCEL Club of Copperas Cove High School consists of students from the high school while the High School United Teens Service (H.U.T.S) EXCEL Club is comprised mostly of home schooled students and several others who attend Copperas Cove High School. Both clubs are sponsored by the Noon Exchange Club of Copperas Cove, Texas.
