### OUR SPONSORING CLUB

President Mike Blount, President-Elect Inez Faison

Who are we? The Noon Exchange Club Of Copperas Cove, Texas was established March 1996. Our club members are volunteers who live in the Copperas Cove area with the spirit of wanting to share with others. We are young and old with families, some are single, some have jobs and some are retired. One thing we have in common: we all want to make this a great place to live and raise a family. What do we do? Our major activities throughout the year include:

- Providing Scholarships for graduating seniors
- Providing Scholarships for students that overcome hardships
- Feast of Sharing feeding 400-500 members of our community
- Various fundraisers to gain awareness for Child Abuse Prevention
- Sponsors the Copperas Cove High School Excel Club and the High School United Teen Excel Club

The club meets the 2nd and 4th Friday of each month at Lil-Tex Restaurant, 502 South Main Street in Copperas Cove.

### COMMUNITY SERVICE

Community service is the lifeline of Exchange, with local-level clubs devoting countless hours and dollars to serving their neighbors every year. Community Service is the Program of Service that most allows clubs to identify opportunities within their communities and offer assistance to fill gaps in services. Since the first group of Exchange Club members convened, Exchange has set the bar high for community service involvement! Excel Clubs continue to serve their communities.

### FROM THE PRESIDENT

The Exchange Excel Club, or HUTS, is an organization based completely in serving the community through four different ways; these are Americanism, youth, child abuse prevention, and community service.

Even in this year of uncertainty, HUTS was not faltered in our goals in serving the community while still adhering to COVID guidelines. We have done many service acts such as helping beautify one of the local food pantries, as well as joining a parade to show the seniors of our community that they are appreciated. It has been a pleasure to be able to be apart of this club and just being able to see the impact it has on peoples lives.
