

COVID-19 PROTOCOL: (Updated 1/20/21)

All paperwork and completed entries must be received by the closing date prior to the clinic.
No exceptions.

Only essential participants will be allowed on clinic grounds, i.e., riders, grooms, and trainers.
No spectators.

Management requires a face mask or face covering for all staff, officials, volunteers, riders, grooms, and trainers on the grounds.

Face masks are optional when mounted.

Competitors/participants should bring their own sanitizing materials, i.e., hand sanitizers, gloves, disinfecting wipes, etc.

We encourage riders and their people to not to remain on the grounds beyond time necessary to complete their competition.

RIDERS RELEASE FORM - Must be completed by all riders

I understand that horseback riding, in particular jumping, is a high-risk sport and I am participating in this clinic at my own risk. I hereby assume this risk, and further do hereby release and hold harmless CNYD&CTA, the organizer, the host facility, clinician, all volunteers, and associated property owners from all liability for negligence resulting in accidents, damage, injury, loss or illness to myself and to my property, including the horse I will ride in this clinic. I understand an ASTM/SEI approved helmet must be worn at all times while the horse is being ridden.

_____ (check line) **I agree to the above**

_____ (check here if rider is under 18)

_____ (check here if parent / guardian) **I agree to the above**
