**About Vincent Flores**

Vincent Flores is a USDF Bronze, Silver, Gold, and Gold Bar Medalist, native of France where he's received a classical training background. Vincent is based out of Merrimac, MA where he runs Vincent Flores Dressage, LLC, a training and horse sales business, and is a very active clinician in the New England area as well as the rest of the United States. Vincent's passion for horses started at a very young age, and he has competed over the years in different countries in the three disciplines, Show Jumping, Eventing and Dressage, and decided to dedicate himself fully to the latter in 2012. Vincent has competed in CDI Small Tours in the US, has been multiple times USDF Regional Champion, and has brought two horses to Grand Prix so far, as well as many more to FEI levels.

He has continuously trained for the past 15 years with an "Ecuyer" from the Cadre Noir of Saumur, which is the French equivalent to the Royal Spanish School of Vienna. After moving to New England late 2017, Vincent has been helped regularly by Kathy Connelly, and ridden in clinics or symposiums with Pam Goodrich, Gary Rockwell, Axel Steiner and Laura Graves.
