

2021 CNYD&CTA Volunteer List

We offer our sincere thanks to the following members for their generous contribution of time as volunteers during 2021 - without whom we would have no activities. Your gifts of time and talent are what make CNYD&CTA a successful and popular organization in the Central New York Region. We appreciate and value all that you do for the sport. (And if you volunteered and you weren't included below, we apologize. Send us an email and we'll make it up to you.)
