Safety Rules

Adult Supervision of all children is required at all times.

Read and follow the rules printed on the actual bounce houses.

Only Sargent County Fair Association and staff may set up, take down the games unless Okayed by Sargent County Fair Association.

Children in bounce house or games should be close in age.

Divide children by ages and give each group their own time to bounce and jump in bounce houses or play on the games.

Children must remove shoes, Jewelry and eyeglasses before entering bounce houses or games.

Keep all sharp objects away from inflatable bounce houses and games.

Keep all pets away from bounce houses and games.

Keep all food; drinks and snacks away from bounce houses and games.

Stay out of bounce houses and games in strong wind or thunderstorms.

Bounce houses and games need to be deflated and not used in winds 15 MPH and higher.

Bounce houses and games need to be deflated during thunderstorms.

After unit is deflated, Please use mat to cover blower during rain or thunderstorms.

If the inflatable is deflated accidentally (Power Outage) have all children sit quickly and then exit orderly through the door.

After all children are safely out and away from the inflatable, then fix the problem.

Keep all party toys such as “Silly String” and other toys away from bounce houses and games. “Silly String” (and similar products) destroys the fabric.

Sign here to signify that you have read and understand all the items listed and explained above.
