About

Village Craft Iron Works, LLC.

Brian Mannino and Scott Dann have been creating decorative iron since 1992. They are well known in Centre and surrounding Counties for their unique designs and high quality iron work.

At Village Craft Iron Works, LLC. We work with Contractors, Property & Home Owners, Landscape Designers, Interior Designers, Retail Businesses, Hotels, Restaurants, etc.

At Village Craft Iron Works, LLC. We design and build projects of all types. From a simple iron bracket, to larger commercial iron projects. We design, fabricate and install.

Village Craft Iron Works, LLC. recently added a digital bender and hydraulic roller for curving and bending metal tubing and pipe.

Our work can be seen all over Centre and surrounding Counties. Hundreds of references are available upon request.
