

Sunnybrooke Condo Association Newsletter Summer 2018

Happy 4th of July !

Reminder that fireworks are prohibited within Dover, including Sunnybrooke without Permit (Town Ordinance Chapter 109-11)

We have received reports of children playing on and around the junction boxes. This is dangerous and could lead to injury or broken equipment. Please remind your kids that these boxes are not for play. *Thank you*

Community Yard Sale – August 11
We invite you all to be part of the community yard sale

August 11 from 8am – 1pm
Rain Date August 18
18 Sunnybrooke Drive

As last year – we welcome volunteers!! Setting up, pricing items, organizing, cashiers and clean-up, help for those dropping off donated items, as well as tables for display items.

If you will not be available but wish to donate, please contact any board member to arrange for them to drop off your item(s) (sellable items please)

Clothing and bake sale items were particularly popular last year. No items to donate? Let's expand on that bake sale table!

All proceeds from this yard sale will go directly to the Association. If you would like to plan your own yard sale on the same date, please do!

The wood fence that starts at the entrance of Sunnybrooke Drive (to your left) has sections that are in disrepair. Bruce Knowles and Brian Corkery have volunteered to remove only those pieces that are broken or have fallen. Home owners who have fence pieces removed, may if they wish, replace any pieces that are on their own property at their own expense. The Association will not be replacing them.

Please reach out to Bruce or Brian if you can lend a hand!

Yard waste should be properly disposed of. Do not sweep or deposit into the street or common areas. The Dover Recycle center accepts this type of waste.

Special thanks to Steve and Judy Koski for their efforts at the entrance to Sunnybrooke. They added flowers, pruned bushes, pulled weeds, and added mulch. Thank you!

Your chance to volunteer! How are you at organizing gatherings? Community Pot Luck !! Call or email Lauri Thompson for details.
