Basic Needs What are some items we are in need of?

We accept donations of gently used maternity clothing and infant/children's clothing up to size 6.

We usually run low on personal care items for the whole family such as body wash, shampoo, etc.

SMILING FACES NEEDED

Ever felt the urge to volunteer? Has the thought crossed your mind? Maybe that is God planting a seed. We need you. Please check page 3 for more details

Every Child Deserves a Birthday

God creates every single baby from the moment of conception. Every baby is created in His image. Every child deserves to have birthdays! How is God urging you to be involved in this fight for LIFE?

Join us at our 13th Annual Banquet to learn of the ways you can be plugged in and active in the Pro-Life Movement.

Banquet Guest Speaker...Father Torres

We are guaranteed a fun, challenging, heart warming time with Father Torres! His humorous approach to life's issues will keep us entertained all evening!

This is one guest speaker you will not want to miss. To get your invitation, please contact us (our contact information is on page 4) and we will be sure you receive one.

Have some friends and/or family members you would like to bring along? Contact Karen about being a table host.

We do not sell tickets or tables—so invite your friends!

We do not sell tickets or tables for our Banquet. The evening has already been 100% underwritten by a wonderfully generous donor.

So every dollar given that evening will go straight into the ministry to begin helping tiny, unborn babies have a voice!

Plan to join us.

Silent Auction Items Needed

A TREMENDOUS ADDITION TO OUR BANQUET

Again this year we will have a Silent Auction going on during the first part of our Banquet evening. This is always a fun part of the evening!

If you, your business, your Sunday School class, etc, would like to help out with this part of our banquet, please contact Karen with your ideas. We need as many and as much variety as possible available for the auction. We have lots of ideas if you need any!

"He took a little child and had him stand among them. Taking him in his arms, he said to them, 'Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me.'"

Marsha Middleton (AFL-MO CEO) presenting award to Juli

Juli Nelson earns the Above & Beyond Award!

At the Alliance for Life-Missouri conference in October, 2017, Juli (our wonderful Client Services Director) was awarded the Above & Beyond Servant Leader Award. Congratulations, Juli! We believe you deserve this award every year. You are constantly going “above & beyond” with our clients as well as our volunteers and staff.

Volunteers Needed

NOW IS THE TIME TO GET STARTED

When it comes to volunteering, we cannot wait for “extra time”. Who really has “extra time”? If we wait for this illusive extra time, we will never step out and get involved.

We need you now. We have a variety of ways you can get involved. We have openings for volunteers who do not need to have a set schedule with us each week. In fact, we have some volunteers who rarely actually come into the office! The jobs they do for us are from home or out in the community.

Our greatest needs right now are for peer-counselors, medical personnel, abstinence presenters, and babysitters.

How is God leading you? If your heart wants to save babies and help families, we have a place for you!

The first thing to do is seek God’s direction. Even if all the answers and plans have not been laid out for you, contact Karen, our Executive Director. She & Juli can help you see how you can help as we work to end abortion and strengthen families in our community.

“Oh, but I don’t have anything to offer.” That’s a comment we hear often. We beg to differ! Did you take a breath this morning? If yes, then you still have a purpose on this earth. While you are here we can help you help these tiny babies have a voice! Come and join us.

Medical personnel, we especially need you right now! Even if just 2 hours a month—we can work with that! Please contact us and let’s discuss how you can begin to receive the many blessings of working to save God’s children and families.

We will be conducting a peer-counselor training soon. The class will fill up so get your name on the list right away! Our contact information is on page 4.

“I never knew volunteering just a couple hours a week could be so rewarding! Why didn’t I start doing this years ago?”
