## The Weekly Messenger 5-7-2021

### Board of Outreach Collection for **Eagles Healing Nest** Sunday's May 2nd -23rd

Eagle's Healing Nest's mission is to provide assistance with the healing of the invisible wounds of war carried by our service men and women...past, present, and future.

Watch for the collection tent in the parking lot

#### **Special items needed:**

- paper products
- cleaning supplies
- seeds for planting
- beads for jewelry making
- swim shorts
- new paint in any color
- gallon size
- new white paint in 5 gallons
- new stain for wood shop

The "Nest" is full of meaning such as home, family, brotherhood, safety and security. The "Hands" cradling the nest represents the many that will wrap their support and give services to the Veterans and military members to help reintegrate them back to their families and into their communities.

Many of our military are struggling and need programs with a caring hand to assist them. Eagle's Healing Nest will

help foster purpose and direction. Our service member's families, who also serve our Country, deserve the resources, support and best treatment available. Eagle's Healing Nest provides this.
