

ICD10 search in Lytec 2021

The ICD-10 Lookup button in Lytec 2021 is now connecting to a new company for information. The codes are now updated constantly, and as before are pulled directly into your Lytec database when chosen. Access to it does now come with an annual cost.

Below are some screen shots of how focused and granular you can make your searches in the product, which opens on top of your Lytec screen:
