

**Macon Mayhem Brandon Parrone 2018-19 game issued jersey, size 56.**

Peoria, Arizona native Brandon Parrone played four years of NCAA Division III hockey at the College of St. Scholastica where he appeared in 97 games. He began his professional career with the Pensacola Ice Flyers in 2017-18. He was acquired by the Mayhem late in the 2017-18 season, playing in ten regular season games and five playoff games. In 2018-19, Parrone played in the home opener for the Mayhem on October 19 before he was traded to Peoria on October 25. Since the Mayhem wore their white jerseys for the home opener, this jersey is game issued. Parrone wore jersey number 22 in memory of his sister Alex who passed away from brain cancer. She wore #22 on her volleyball jersey at Minot State University. This OT Sports navy blue jersey has the embroidered primary Mayhem logo sewn on the front below the lace up neckline. Two smaller embroidered secondary logo patches are sewn to both shoulders. The numbers are sewn on two color twill. The matching fabric nameplate with sewn on twill letters had been removed but was provided by the team and was re-sewn to the jersey. The embroidered SPHL and OT Sports patches are sewn on at the bottom of the rear hemline. I purchased this jersey directly from the team at the end of the season.
