

**Macon Mayhem Stathis Soumelidis 2017-18 game worn jersey, size 54.**

Czech Republic native Stathis Soumelidis turned pro during the 2015-16 season with the FHL's Berlin NH River Drivers. He was acquired by the SPHL Mississippi River Kings in February 2016. Soumelidis signed with Macon for 2016-17 and was a part of the SPHL President's Cup Championship team. He played parts of the next four seasons with the Mayhem, with several stints in the ECHL with Adirondack, Florida and Norfolk. A late January 2020 trade sent Soumelidis to Fayetteville, where he finished the COVID shortened season. He was reacquired for the 2020-21 abbreviated season, appearing in 25 games, his last season in the SPHL. This blue jersey by OT Sports has the embroidered primary logo sewn on the front. A smaller secondary logo is screened onto the fabric in the neckline. On each shoulder are sewn on embroidered patches commemorating the Mayhem's championship season in 2016-17. The numbers are sewn on two color twill. The player's autograph in black Sharpie is located on the back number. Below the rear neckline is a screened on outline of the state of Georgia. The matching fabric nameplate has sewn on twill letters. The embroidered SPHL and OT Sports patches are sewn on at the bottom of the rear hemline. I acquired this jersey from another collector.
