

**Augusta Lynx 1999-00 Darren Wilkinson game issued jersey, size 60.**

Darren Wilkinson was used by the Lynx as an emergency backup goaltender on several occasions, but according to my research he never played in an actual game, so I'm calling this a game issued jersey. Media reports suggest that Wilkinson lived in the Charlotte area and may be the brother of former Charlotte Checkers coach and goaltender Derek Wilkinson. This jersey by CCM is a black road jersey with fight strap and exhibits virtually no wear. The only action it saw would have been a pre-game warm-up. The large embroidered five color lynx head is on the front, along with the ECHL millennium patch, the embroidered CINTAS sponsor patch and the CCM embroidered logo patch. On the back, the cloth nameplate has sewn two color twill letters and Wilkinson's number 40 consists of two color sewn twill. A second CCM logo embroidered patch is sewn on at the top of the back below the neckline. The sleeve numbers are also sewn two color twill, and the team's alternate logo patches are sewn on the shoulders. I purchased this jersey on eBay from another collector.
