

Augusta Lynx Louis Goulet 2003-04 authentic jersey, size 56.

The 2003-04 season was Louis Goulet's first in the ECHL. Goulet would play four full seasons in the ECHL, all with Augusta. When Goulet retired at the start of the 2008 season, he was the all-time leading goal scorer for the Lynx, a record that still stands after the Lynx folded in December 2008. This jersey by OT Sports is a white home jersey with fight strap. The large embroidered five color lynx head is on the front, along with Goulet's alternate captain A. Alternate paw and puck logos are sewn on each shoulder. On the back, the cloth nameplate has sewn black letters, and the number consists of two color sewn twill. The lower back hem has sewn on embroidered Meigray, ECHL and OT Sports patches. The sleeve numbers are sewn white twill. This blank authentic jersey was purchased on eBay and was customized by me based on available photographs of game worn jerseys from the same season. The only thing missing is the CINTAS sponsor patch on the front.
