

Atlanta Thrashers Patrik Stefan 2000-01 authentic jersey, size 56.

This white CCM home jersey differs little from the jersey worn during the inaugural season, the main difference being the absence of the NHL 2000 millennium patch. It has the embroidered Thrashers primary logo sewn on the front and two embroidered secondary logo patches sewn onto each shoulder. A matching fabric nameplate with two color twill letters is sewn on the back. Player numbers in two color sewn twill are on the sleeves and back. The NHL shield and CCM logos are embroidered onto the rear hem. This would be the last year that the CCM logo would be located next to the NHL shield. The yellow arrow stripe trim around the neck and at the bottom hem finishes this jersey. Stefan doubled his goal output from his rookie season but still finished the season with a disappointing 10 goals and 21 assists, not exactly what the Thrashers were hoping for from their top draft pick in 1999 but mirroring his last season in the International Hockey League.
