

Gwinnett Gladiators Tyler Shiplo 2014-15 game used gloves.

Tyler Shiplo made his professional debut with the Gladiators, joining the team near the end of the 2014-15 season after he concluded his collegiate career with Mercyhurst College. The Oakville, Ontario native appeared in 158 games between 2011-15 at Mercyhurst, finishing with 67 points and a +15 rating. Shiplo was named the team's alternate captain for his senior season. Prior to college, Shiplo played two seasons in the Ontario Junior Hockey League (OJHL) for the Mississauga Chargers and Georgetown Raiders. These CCM HG 98 14" black and white gloves have great game wear and have Shiplo's jersey number 2 written in the palm with black Sharpie. They have been photo matched to a picture taken of Shiplo in April, 2015. The gloves were purchased from another collector.
