

Columbus Cottonmouths Dan Tudin 2003-04 game worn jersey, size 56.

Orleans, Ontario native Dan Tudin played major junior hockey in the Ontario Hockey League with the Ottawa 67's. Tudin then attended Dalhousie University where he played four seasons before turning pro with the Cottonmouths of the ECHL in 2003. In 66 games with the Snakes, Tudin was second in overall scoring with 18 goals and 28 assists. Tudin played the next two seasons in the ECHL with Las Vegas, including a five game call up to the American Hockey League. He then went to Europe where he continued his pro career. The front of this black SP jersey has a sewn on embroidered snake head logo along with an embroidered SP logo. A screened JAY Auto Mall sponsor patch is sewn to the upper right breast. The back and sleeves have sewn on three color snake numbers that are comprised of red and white twill with the black screened on. The player's autograph is on the rear number 1. On the shoulders are two sewn on embroidered alternate logo patches. The matching sewn on cloth nameplate has single color twill letters. There is an embroidered SP tag and size tag in the neck area. On the rear hem are sewn on embroidered ECHL and Meigray patches, and the SP logo is embroidered directly to the back hem. There is good game use consisting of stick marks, board burns and unrepaired holes. I acquired this jersey from a former employee of the Cottonmouths.
