If a **gluten allergy** keeps you from receiving Holy Communion, please let us know at the parish office. While receiving from the Precious Chalice is Holy Communion, we now have low gluten hosts available. We would like to position them at various church sites as needed. United States Conference of Catholic Bishops has approved the use of these hosts in all dioceses. Hosts are made by the Benedictine Sisters of Perpetual Adoration in Clyde, MO. They are made from wheat starch (wheat flour—with most gluten protein removed) plus water. In the last gluten testing on this product, April 2023, the average content per wafer was 70ppm which equals 70 micrograms per .2 g of product. Each host weighs .2 grams.

Fr. Feller's Corner

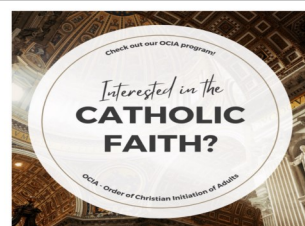

You may have noticed the bulletin advertisement for our presentations about the National Eucharistic Congress. You may have also heard that we are hosting a significant adult faith formation opportunity this Fall called: Jesus and the Eucharist. This opportunity comes to you at all three of our weekend Mass sites: Manson, Lake City, and Rockwell City. Each location will host seven different sessions. I recommend you attend one or all!

These opportunities are the fruit of expanding our part-time director of religious education position to a full-time position that includes supporting children and adults. We heard in our Synod talks that adults would like more faith formation opportunities. I also believe the more we invest in our adults (and we adults take advantage of our own faith formation), the better our children will be for it. Our young people, even if they don't acknowledge it, look up to us and want us to show them the way to faith, freedom, and joy.

With joy, I am pleased to announce that Sandra Hildreth is our director of faith formation for Our Lady of the Plains Parish. Sandra has served as our DRE since fall of 2020. She and Ryan have been a part of this church community since returning to the area in 2009. Sandra has a background in Elementary Education and non-profit management, but chose to stay at home with Kathleen, Quinn and Eli while also doing daycare for the last thirteen years. Her family lives at Twin Lakes and enjoys all things on the water. She is looking forward to meeting/getting to know everyone in a new capacity at St. Francis, St. Thomas, & St. Mary as we kick off this new program. In addition to directing faith formation, Sandra will be offering her computer and technology skills around the office.

Please thank and congratulate Sandra on leading the important work of evangelization and faith formation in our parish. But more so, please participate in the opportunities and invite others to join you!
