Fr. Feller's Corner

Last week, I wrote how our Catholic Faith inspires us to serve the people in our local church and civic communities. All of this begins with Baptism. When we are baptized, we are *immersed* in the life of God. The Father adopts us as His sons and daughters in Christ through the outpouring of the Holy Spirit. The baptized are members of God's family, sharers in the infinite love of the Holy Trinity. In Confirmation, our union with Christ is sealed with the gifts of the Spirit so that we can better share in our Father's work in the world: Love. The Eucharist strengthens us along the way and becomes our way of offering our *works, joys, sufferings, and prayers* to God at every Mass.

Our Catholic faith communities are siblings in the family of Our Lady of the Plains. As individual communities, we have our own local ministries, activities, and events. As siblings in the family of the parish, we share in each other's joys and sorrows. We can also support each other by attending one another's events and activities such as fish fries, prayer services, Masses, and volunteer opportunities. I have seen this happening even before we became one parish. We are called to mutually support each other because we are all brothers and sisters in the Lord and members of the Catholic (universal) Church. Reflecting on our gifts, limitations, and responsibilities, we can decide how we can encourage one another and express the unity we have in Christ.

Food for Prayer: *"For this reason I bow my knees before the Father, from whom every family in heaven and on earth takes its name. I pray that, according to the riches of his glory, he may grant that you may be strengthened in your inner being with power through his Spirit, and that Christ may dwell in your hearts through faith, as you are being rooted and grounded in love."* (Ephesians 3:14-21)

In our day to day lives, we can ask:

"Father, who do you want me to see as my brother or sister? Help me see as you see, especially those I have a difficult time loving."

Fr. Brian H. Feller
