

Holy Scripture:

In my book, *Evidence of One God and One Truth*, the first chapter demonstrates gematria evidence which supports the truth of the following passage of Scripture:

All scripture is given by the inspiration of God, and is profitable for doctrine, for reproof, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works. 2Timothy 3:16-17.

I have found some additional gematria evidence pertaining to Holy Scripture, which will be presented in this article. All Scripture is profitable.

All (H3605) Scripture (H3791) is from (H4480) God (H430) and is profitable (H5532) for doctrine, (H3948) reproof, (H8433) and instruction. (H4148)

The psalmist wrote that the word of God, Scripture, is a lamp to guide the way: *Thy word is a lamp unto my feet, and a light unto my path.* Psalms 119:105.

When only the word for “God” is added to the Hebrew root words that are used in this verse it is revealed that the psalmist is speaking of Holy Scripture.

The word (H1697) of God (H430) is a lamp (H5216) unto my feet, (H7272) and a light (H216) unto my path. (H5410)

The author of Hebrews wrote the following concerning the word of God: *For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.* Hebrews 4:12.

The word of God is sharp, and pierces the soul and spirit of man. The Greek word for “quick” which is used in this verse means “to live, or be alive.” The word of God, Holy Scripture, is alive and has a powerful effect upon those who read it.

For (H3588) the word (H1697) of God (H430) is a quick (H2416) and powerful, (H3581) and sharper (H2299) than (H4480) any (H3605) twoedged (H6310) sword. (H2719)

SCRIPTURE (G1124) = $\gamma\rho\alpha\phi\alpha\iota\varsigma = 815$

Holy Scripture, the word of God, is piercing, dividing the soul and the spirit, and it is a discerner of thoughts and intents of the heart.

The word (H1697) of God (H430) is a quick (H2416) and powerful (H3581) sword, (H2719) piercing (H5344) even to (H5704) the dividing asunder (H914) of the soul (H5315) and the spirit. (H7307)

For (H3588) the word (H1697) of God (H430) is a quick (H2416) and powerful, (H3581) and sharper (H2299) than (H4480) any (H3605) twoedged (H6310) sword, (H2719) and is a discerner (H995) of thoughts (H4284) and intents (H4616) of the heart. (H3820)

SCRIPTURE (G1124) = γραφωv = 1454

A different Hebrew root word for “heart” is used in the next sentence.

The word (H1697) of God (H430) is quick, (H2416) and powerful, (H3581) piercing (H5344) even to (H5704) the dividing asunder (H914) of the soul (H5315) and the spirit, (H7307) and is a discerner (H995) of thoughts (H4284) and intents (H4616) of the heart. (H3824)

$34 + 190 + 355 + 62 + 214 + 430 + 36 + 74 + 152 + 28 + 18 + 86 + 206 = 1885$

Amazingly, the Greek word that is used in Hebrews 4:12 for “sharper” has this same gematria value of **1885**.

SHARPER (G5114) (root word spelling) = τομωτερος = 1885

In the Old Testament, the “word of God” is often said to be either the word of God, the word of the Lord, in which the proper name of God (Yahweh/Jehovah) is used for Lord, or the word of the Lord God. In the next sentence, it is called the “word of the Lord.” In the sentence a different Hebrew root word for “pierce” is also used, and the numerical word association confirms that which is written about the word of God, when referred to as the word of the Lord.

For (H3588) the word (H1697) of the LORD (H3068) is quick, (H2416) and powerful, (H3581) piercing (H4272) even to (H5704) the dividing asunder (H914) of the soul (H5315) and the spirit. (H7307)

TWOEDGED (G1366) SWORD (G3162) = δίστομος μάχαιρα = 894 + 753 = 1647

For (H3588) the word (H1697) of God (H430) pierces (H5344) even to (H5704) the dividing asunder (H914) of the soul (H5315) and the spirit, (H7307) and is a discerner (H995) of thoughts (H4284) and intents (H4616) of the heart. (H3820)

32 + 190 + 355 + 62 + 214 + 430 + 36 + 74 + 152 + 86 + 206 + 30 = **1867**

Just as in Hebrews 4:12, the Greek word for “is” is not used in the following Greek root words as written in the Bible, which have a gematria value of **1867**.

THE WORD (G3056) OF GOD (G2316) [IS] QUICK (G2198) AND (G2532) POWERFUL (G1756) = λόγος Θεός ζάω και ἐνεργής = 373 + 284 + 808 + 31 + 371 = **1867**

Since all Scripture is by the inspiration of God, and not merely arising from the thoughts of men, it is the actual word of God. Therefore, what is said about the word of God can also be said about Scripture. In the next sentence, a different Hebrew root word for “twoedged,” that is found in Psalms 149:6, is used.

All (H3605) Scripture (H3791) is quick (H2416) and powerful, (H3581) and sharper (H2299) than (H4480) any (H3605) twoedged (H6310) sword, (H2719) piercing (H5344) even to (H5704) the dividing asunder (H914) of the soul (H5315) and the spirit. (H7307)

FOR (G1063) THE WORD (G3056) OF GOD (G2316) [IS] QUICK (G2198) AND (G2532) POWERFUL (G1756) = γάρ λόγος Θεός ζάω και ἐνεργής = 104 + 373 + 284 + 808 + 31 + 371 = **1971**

The Greek root words which have the same gematria value as the following sentence confirms that all Scripture is the word of God.

For (H3588) the word (H1697) of God (H430) is a sword, (H2719) piercing (H4272) even to (H5704) the dividing asunder (H914) of the soul (H5315) and the spirit, (H7307) and is a discerner (H995) of thoughts (H4284) and intents (H4616) of the heart. (H3824)

Truly, Holy Scripture is exactly as claimed in 2Timothy; and is given by the inspiration of God. I have found that the method of gematria that I have used confirms that which is written in Scripture; and it also reveals truth related to Scripture itself. One such truth, which is indisputable, is the number of books that comprise the Protestant Christian Bible. There are 39 books in the Old Testament, and 27 books in the New Testament, for a total of 66 books. Many manuscripts have been rejected for inclusion in the canon of the Bible because they are inconsistent with what the established canon teaches. Although the books that are included in the canon were determined by men, the totality of Holy Scripture was ordained by God.

All Scripture is by the inspiration of God, and only the books that were written as a result of that inspiration are included in the Bible. With that as a preamble, consider the following numerical word associations, many of which are not taken from words of Scripture, but are still quite interesting.

The number of books that are included in the Old Testament of the Christian Bible is confirmed by gematria, as the following two gematria examples with the name numerical value demonstrate.

Scripture (H3791) is a quick (H2416) and powerful (H3581) sharp (H6864) sword, (H2719) piercing (H5344) even to (H5704) the dividing asunder (H914) of the soul (H5315) and the spirit. (H7307)

Two different gematria values related to the next two examples provide further evidence to confirm the number of books in the Holy Scripture.

Everything (H3605) in the Old (H2204) and the New (H2319) Testaments (covenants) (H1285) was written (H3789) by (H5921) the inspiration (breath) (H5397) of God. (H430)

The next four examples of numerical word associations have yet another gematria value that confirms the truth regarding Holy Scripture.

Men (H120) wrote (H3789) all (H3605) Scripture (H3791) as (H834) they were inspired by (breathed upon) (H5301) (H5921) and led (H5148) by the Holy (H6944) Spirit. (H7307)

The following two sentences which state in slightly different ways the same truth regarding the Old Testament have a different gematria value.

According to the website GotQuestions.org, the canon of what is now the Protestant Bible was first made public in 367 AD by a church leader Athanasius. At the Council of Hippo in 393 AD the 27 books of the New Testament were declared canonical, and in 397 AD the Synod of Carthage ruled that only canonical books should be read in the churches, and listed the same 27 books. A determination of which books to include in the New Testament was based upon three factors: 1) it was necessary for a book to be linked to an apostle, or someone who had seen the risen Christ, and heard teaching directly from him; 2) the book had to be in line with the doctrine which had been taught by the apostles, which had been transmitted orally since the time of Christ; 3) the book had to be widely accepted as authoritative among all of the church leaders. Although it was men who made the determination of which books to include, it was through the inspiration of God; and the divine influence can be seen in the following gematria associations.

The Old Testament prophesied the coming of a Messiah and Savior, and the New Testament proclaims that Jesus Christ is the fulfillment of the messianic prophecies. God inspired the authors of the books in the New Testament because, as Paul wrote to Timothy, it is the will of God that all men know this truth: *For this is good and acceptable in the sight of God our Saviour; who will have all men to be saved, and to come unto the knowledge of the truth. For there is one God, and one mediator between God and men, the man Christ Jesus; who gave himself a ransom for all, to be testified in due time.* 1Timothy 2:3-6.

Gematria confirms the number of books in the Old Testament of Holy Scripture, and it also confirms the number of books in the New Testament. An equal gematria value of the next four sentences for which numerical values are determined, confirm the number of books to be 27. The

books of the New Testament were written by the apostles of Jesus. The Greek word “apostle” means “one that is sent, a messenger.” The Hebrew word for messenger is used in the following sentence for “apostles.”

God (H430) inspired (breathed) (H5301) the apostles (messengers), (H4397) righteous (H6962) men (H120) that followed (H1980) (H310) Jesus (Yeshua), (H3442) to write (H3789) Holy (H6944) Scripture. (H3791)

The New Testament makes known the one true doctrine: we are saved by grace through faith in Jesus Christ, the only begotten Son of God.

All (H3605) new (H2319) Holy (H6944) Scripture (H3791) makes known (H3045) the truth: (H571) we are saved (H3467) by grace (H2580) through faith (H529) in the only (H3173) begotten (H3205) Son (H1121) of God. (H430)

The New (H2319) Testament (covenant) (H1285) teaches (H3384) the true (H571) doctrine (H3948) of Jesus (Yeshua) (H3442) Christ (the Messiah). (H4899)

The New Testament makes known that the Old Testament prophecies concerning the coming of a Messiah were fulfilled in Jesus Christ. The next two sentences for which the gematria values are determined further confirm the number of books in the New Testament of the Christian Bible.

The New (H2319) Testament (covenant) (H1285) of Scripture (H3791) makes known (H3045) that (H3588) the prophecies (H5016) of a Messiah (H4899) in the Old (H2204) Testament (covenant) (H1285) are fulfilled (H4390) in the only (H3173) Son (H1121) of God. (H430)

Jesus said: *Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil.* Matthew 5:17.

The New (H2319) Testament (covenant) (H1285) of Scripture (H3791) declares (H5046) that Jesus (Yeshua) (H3442) Christ (the Messiah) (H4899) fulfilled (H4390) the Law (H8451) and the Prophets. (H5030)

The Greek word from which the English word “Bible” originates is G975 βιβλίον, which means “book.” When the Hebrew root word for “book” is used for “Bible” in the next sentence, the gematria value confirms that the New Testament proclaims Jesus Christ to be the fulfillment of the Old Testament prophecies.

The New (H2319) Testament (covenant) (H1285) of the Bible (book) (H5612) makes known (H3045) that (H3588) the prophecies (H5016) of a Messiah (H4899) in the Old (H2204) Testament (covenant) (H1285) are fulfilled (H4390) in Christ (the Messiah), (H4899) the only (H3173) Son (H1121) of God. (H430)

LORD (G2962) JESUS (G2424) CHRIST (G5547) = Κύριος Ἰησοῦς Χριστός = 800 + 888 + 1480 = 3168

Gematria confirms the number of books in Holy Scripture; both the Old and the New Testaments. Also confirmed is that the Old Testament prophecies concerning a coming Messiah, are proclaimed in the New Testament to have been fulfilled in the Jesus Christ.
