

Partakers of the Inheritance:

In Paul's letter to the Colossians he exhorted the church to thank God the Father because He had enabled believers to become partakers in the inheritance of the saints: *Giving thanks unto the Father, which hath made us meet to be partakers of the inheritance of the saints in light: who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son: in whom we have redemption through his blood, even the forgiveness of sins:* Colossians 1:12-14. As partakers of the inheritance we are brought into the kingdom of Jesus Christ, the Son of God, in whom we have redemption and forgiveness through his blood.

Gematria which uses the numerical value of Hebrew root words in sentences that correspond to what Paul wrote in Greek show associations through confirmatory Greek words which have the same gematria value as the sentence. These gematria word associations are found even when different Hebrew root words are used. The differences include: 1) The Greek word used in this passage of Scripture for "made us meet" has the meaning of "enable." In the following gematria associations, some use Hebrew root words for "made" and "able," and the others use only the word for "able." 2) Three different Hebrew words for "saints" are employed. 3) Different root words for "power" and "translated" (which means "to carry away") are used in various sentences. 4) The Greek word for "dear" means "precious." Some sentences use the Hebrew word for "dear or precious" and others use the Hebrew word for "beloved." Despite using these various options for Hebrew root words corresponding to the English translation it is demonstrated that as long as the meaning of the words are consistent with what is written in the Bible, gematria associations which confirm the truth of Scripture can be found.

The first five gematria associations confirm that God the Father has enabled us to be partakers of the inheritance of the saints in the light.

God the Father has delivered us from the power of darkness and brought us into the kingdom of His beloved Son, in whom we have redemption. We have become partakers of the inheritance of the saints in the light, which is to become heirs of God with Christ: *For as many as are led by the Spirit of God, they are the sons of God. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. The Spirit itself beareth witness with our spirit, that we are the children of God: and if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together.* Romans 8:14-17.
