EPISODE 8: PUT US TOGETHER

Two is better than one,
Working together is fun
Put us together, we're done
Don't leave the team with just one

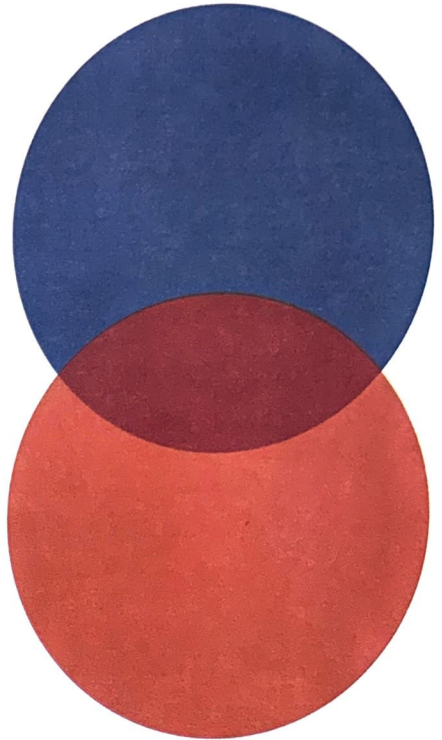

Put us together, you'll see
All of the things that could be
Because three is better than one
And there's so much work to be done

Teams let us do even more
Look at the win, at the score
See just how good it could be
When there is us, not just me.
