Images of Praise

Write the Scripture references from Deuteronomy 32:3-6, 10-14, 18 that contain the following word images.

An Eagle: _____ A Father: _____ The Rock: _____

With the help of a hymnal or an internet search, find hymns or contemporary Christian songs that include these above images. Write down phrases from these songs that stand out.

Work with another student to write your own hymn or praise chorus, using the word images from Deuteronomy 32:3-5, 10-14, 18. Try to fit the words to the melody of a familiar hymn or contemporary Christian song.
