It's Time to Listen to Your Bible Lesson

Follow the Leader

God is our leader, our guide and our **protector**. Our parents and guardians are the leading helpers for God in our home, the church and in the world.

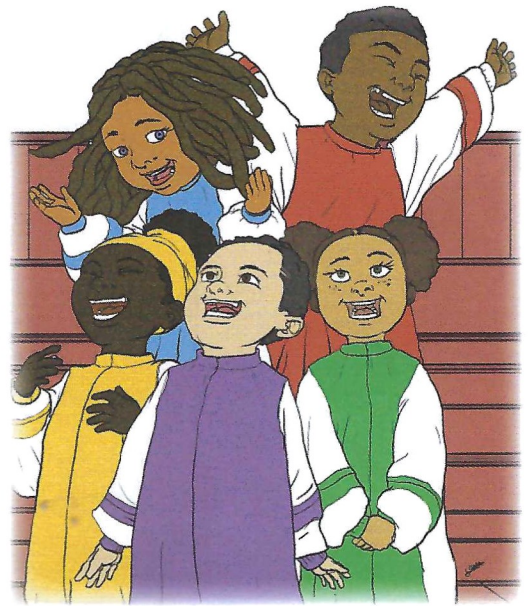

Leaders must be people who love the Lord and are always willing to serve God's people. Leaders must always set a good example. Leaders are to give of their time and their talents for the upbuilding of God's kingdom. God's kingdom is everywhere. God is our **leader** and king.

Children can be good leaders too! Attending Sunday School and singing in the choir are great ways to become **future** leaders in the church. Today, you follow leaders. One day, you can be a leader people follow because you follow God.
