It's Time to Listen to Your Bible Lesson

The Lamb Of God

Of all of the animals on the farm, the lamb is the smartest even though we are often told they are dumb. They are the strongest even though we are told they are weak.

The Bible tells us the lamb is never alone. He has a **Shepherd, caretaker** filled with **humility**, always providing food, shelter, protection and safety. They are so loved.

The young sheep know the strength of staying together as they grow inside and out. Plus, their outside wool can be used
