GOD'S GREATEST HITS

When fire fell from Heaven, the Israelites praised God for His goodness and enduring mercy. Think about the tremendous actions of God throughout Scripture, in history, and in your own life. Put those into three lists of His “greatest hits.” Which of them most inspires you to praise God spontaneously, and with what song?

WHOSE TO-DO LIST?

When the temple was dedicated, the people and God had different actions to take. One of life's challenges is recognizing what God expects us to do and then doing it. A second challenge is to avoid trying to do what God has reserved for himself. After reviewing today's text as well as Exodus 14:14; Isaiah 6:8; Ezekiel 22:30; and Romans 12:19, fill out the two lines below and keep it as a daily reminder this week.
