

# THE BRIDGE

August 1, 2024

Dear Patient,

I am writing to inform you of exciting news, which will also impact your health care here at The Bridge Medical Clinic. I am expecting a baby in early February 2025 and sometime this Winter will be on maternity leave for a year. I understand the challenges this presents but know that I am actively recruiting a replacement. I will continue to be available until my leave begins and during the year I am away we hope to be able to continue your care through The Bridge Medical Clinic. I look forward to seeing you soon or catching up when I return.

A handwritten signature in black ink, appearing to read "Kendra Brown". The signature is fluid and cursive, with the first and last names clearly distinguishable.
