

## **HCGMS Covid-19 Update – July 1, 2020**

We held a SCYPE meeting on June 23 to make the final decision on having a Gem Show this year. It was the decision of those that participated that the show should be canceled for this year. With the increase in cases of the virus in the local area and much of the southern United States, we didn't feel that we could put on a show and adhere to the safety guidelines necessary.

For the present, the community center is not available for us to use for our workshop nor could they give me any idea when it will be available. So, we are going to hold a SCYPE meeting on July 18, 2020 at 1 p.m. Lynn will send out an invite for you to join us. Our standing rules say that we have to attend six meetings in order to qualify to be considered for a scholarship. The SCYPE meeting would count as a regular meeting. So far, we have had two meetings this year. We don't know when we will be able to continue regular meetings so this will give us an opportunity to visit one another.

Everyone please take care & stay well!
