Ag-Venture is a free, one day program which provides a great opportunity for fourth graders (public, private, and home educated) to gain experience, understanding, and the appreciation of our local agricultural industry.

Okeechobee County Ag-Venture is a tax exempt organization under Section 501 (c) (3) that is funded entirely by donations. These donations cover the cost of the facilities, materials for the 14 stations, student bus transportation, Ag-Venture volunteer t-shirts and bags for each student, as well as the lunch. Volunteers are the key to our success. Over 60 volunteers are needed for set up, the "Ag-venture" and clean up. Ag commodity groups, businesses, organizations and individuals join in a partnership to make Ag-Venture fun, educational and a memorable experience for everyone involved. Can we count on you to help?
