

COVID RENTAL RULES

Renters must follow all current social distancing and capacity guidelines as defined by the CDC and the MDHHS.

Maximum regular capacity is 108 persons.

It is the renter's responsibility to know and understand the current CDC and MDHHS guidelines. Failure to follow the capacity guidelines will result in immediate termination of rental and immediate evacuation of building and loss of rental and deposit fees.

Renters are required to wash all tables and spray tables, chairs and all flat surfaces with sanitizer (Lysol etc.). Inspection will be done by the township and failure to comply will result in loss of deposit. The township's decision is final. An inspection will be performed the following Monday.

Renters must supply their own cleaning supplies.

The room must be returned to its original configuration.

Failure to comply with any or all the rules stated above will result in loss of rental deposit and future rental opportunities.

I have read, understand and agree to the COVID rental rules.
