# W E L C O M E TO THE NORTH TEXAS AQUATICS ASSOCIATION

The mission of the North Texas Aquatics Association is to maintain a knowledgeable, productive and cohesive organization. This organization will strive to promote, maintain and be creative in educating the public as well as other aquatic professionals in programming, service and management. In addition, the North Texas Aquatics Association will work to develop and maintain the health and safety of all types of aquatic facilities within the area and around the state.

The North Texas Aquatics Association is a subsidiary of the Texas Public Pool Council, covering its respective Regions 1 and 2. The North Texas Aquatics Association hosts four, quarterly meetings a year, a training seminar in the spring, and a holiday social at the end of the year, along with educational classes throughout the season.

The North Texas Aquatic Association and the North Texas Guard Games is a Not-For-Profit and 501(c)(3) Public Charity organization. In order to host meetings, training seminars, socials and the North Texas Guard Games Competition, we ask for sponsorship partners and volunteers. Without help from our partners and volunteers, we would not be the successful organization and competition that we are today, which other regions look at as a model for their organization and competitions.

Please review this sponsorship packet for more information on our annual sponsorship opportunities. We look forward to partnering with you!

## WHO WE ARE

---

# Overview of NORTH TEXAS GUARD GAMES

The North Texas Guard Games is a competition for lifeguards in the North Texas and surrounding areas, held each summer and hosted by a different city each year. We draw an average of forty Lifeguard Teams and four Junior Lifeguard Teams from around the state, not limited to the North Texas area.

The competition involves fitness events, lifeguarding skills events, knowledge events and also a relay race/obstacle course. An example of events that lifeguards might prepare for in the competition would include: Scenario, Fitness, Scanning, First Aid, Passive CPR/AED and a Spinal event. Additionally, participants are able to enhance those skills and decision-making abilities, which improve communities' confidence in their local lifeguards and aquatics programs.

The North Texas Guard Games is a preliminary event to the Texas State Championship Event, with the top three teams advancing to the state competition at the end of July.

The North Texas Guard Games is open to all lifeguard certification agencies. We hope you will consider partnering with us and continue to provide an outstanding competitive event for professional lifeguards to challenge their skills and test their training.
